AMENDMENT

In response to an Office action dated November 19, 2002 please amend the above-identified application as follows:

IN THE CLAIMS:

Please delete claims 1-15.

16. (Amended) A method for enabling at least one caller placing a call to a call destination through a communications network via, in part, a telephone line having a number uniquely and permanently assigned to said one caller to budget call costs, comprising the steps of:

- a) storing in a rating data base budgeted information for said caller in accordance with said caller's unique and permanently assigned telephone line number;
- b) receiving said call placed by said caller, and in response, establishing said caller's telephone line number;
- c) accessing a routing database for a call cost to direct the call to the call destination;
- d) accessing the rating data base to retrieve said budgeted information in accordance with the caller's telephone line number;
